# WNTC-2MT

## Temperature Sensor for DCW20 DCU20 NPS2400

**SNAPTEC**
www.snaptec.com.au

CE  RoHS 2011/65/EU  Pb lead-free

### ■ *Main Features*

- Used as external temperature sensor
- Provided with specific friction lock connector and 2m twin cable
- The specific connector could be cut in case of need
- Can be use on: NPS2400, DCU20, DCW20

**TECHNICAL DATA**

| Model type | WNTC-2MT |
|---|---|
| **GENERAL DATA** | |
| Operating temperature | - 40°C...+ 70°C |
| NTC resistance @ 25°C | 10kΩ |
| NTC β coefficient | 4000 |
| Connection terminal | 2 poles Leoco 2010S friction lock, pitch 2.0mm |
| Wire | 2m twin cable |
